

Sing we Noël,
The King is born, Noël!
Sing we now of Christmas,
Sing we now Noël!

In the heart of winter,
Burning in the cold (Noël, Noël)
A bright blue comet
Points the way to go (Noël, Noël)
And I know...
The way home.

Sing we now of Christmas

Noël, Nouvelet !

Sing we all together

Welcome Christmas Day

Sing we Noël,

The King is born, Noël!

Sing we now of Christmas,

Sing we now Noël!

A world consumed by darkness

Dreams of light

And love beyond all measure

Has pierced the veil of night

And every single one of us

Can choose to see that star

Finding Christmas in your heart

No matter who you are

Sing we now of Christmas

Noël, Nouvelet !

Sing we all together

Welcome Christmas Day

Sing we Noël,

The King is born, Noël!

Sing we now of Christmas,

Sing we now Noël!

In the heart of winter,

I see a star above

I believe in Christmas

I believe in Love (Noël, Nouvelet)

Sing we now of Christmas

Noël, Nouvelet !

Sing we all together

Welcome Christmas Day

Sing we Noël,

The King is born, Noël!

Sing we now of Christmas,

Sing we now Noël!

In the heart of winter,

Burning in the cold

A bright blue comet

Points the way to go

In the heart of winter,

I see a star above (Noël, Nouvelet)

I believe in Christmas

I believe in love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

I believe

I believe

I believe in Love

Noel Noel

Sing we all together

Welcome Christmas Day

Sing we Noël,

The King is born, Noël!

Sing we now of Christmas,
